

BONALDO

Intrecci

By paying attention to every single detail, the Intrecci pouf collection expresses the authentic values of Made in Italy, the true implicit content of every Bonaldo product. The woven seams, which represent an elegant ornamental decoration, embellish the covering of a design object where aesthetics and practicality

intersect. The Intrecci collection includes a bench and poufs in three different sizes, designed to fit every need and to create coordinated environments. The removable upholstery is available in fabric or leather.
